# meet the Hemostasis experts V

## welcome

Dear Colleagues,

On behalf of the Executive Board of the M.Sc. Course “**Thrombosis-Haemorrhage-Transfusion Medicine**” of the Medical School of the National and Kapodistrian University of Athens, we take the pleasure in inviting you to the fifth “**Meet the Haemostasis Experts**” conference that the audience will attend as a webinar.

This year our seminar is dedicated to “**Hemolytic anemias and coagulation disorders**” which are frequent in the countries surrounding the Mediterranean Sea. It will include the topics presented by distinguished experts in the field of haemostasis.

We look forward to welcoming you and hope that physical distancing will not be an obstacle to our common goal that is to clarify ambiguous approaches that arise in daily practice.

**Anthi Travlou**

*Emeritus Professor of Hemostasis*

**Marianna Politou**

*Professor of Hematology*
